INFORMATION DISCLOSURE STATEMENT

Applicants request consideration of the references listed on the attached PTO-1449 form. Under 37 C.F.R. § 1.98 (a)(2)(ii), only copies of foreign patent documents and/or non-patent literature are enclosed. Copies of any listed U.S. patents or U.S. patent application publications can be provided upon request.

The applicant calls the examiner's attention to the United States patent applications and/or patents listed below. These applications and/or patents may contain material related to material set forth in this application. The applicant invites the examiner to consider the claims and claim amendments of these other applications and/or patents, and the positions of the examiner and the applicant that appear in their prosecution histories. The applicant understands that the examiner has direct access to these papers at the patent office, but is providing copies of the Office Actions received in these related cases herewith.
